

6.0 LIST OF PREPARERS AND CONTRIBUTORS

Tennessee Valley Authority

Stephen D. Cottrell

Position: Wildlife Biologist
Education: M.S., Fish and Wildlife Management; B.S., Wildlife Management
Experience: 28 years experience in natural resource management, threatened and endangered species, and wetlands

Stanford E. Davis

Position: Senior NEPA Specialist
Education: B.S., Wildlife and Fisheries Science
Experience: 26 years experience in resource and land management planning, environmental review and assessment, and 15 years experience in environmental impact assessment, including 3 years on contract with the Office of Surface Mining Reclamation and Enforcement

Harold M. Draper

Position: Senior NEPA Specialist
Education: D.Sc., Engineering and Policy; B.S., Conservation Botany
Experience: 12 years experience in environmental impact assessment and 7 years experience in state renewable energy programs

James R. Hagerman

Position: Technical Specialist
Education: B.S. and M.S., Agricultural Engineering
Experience: 12 years experience in water quality, water resources, and nonpoint source pollution; Registered Professional Engineer

Kelie H. Hammond

Position: Environmental Engineer
Education: B.S., Civil Engineering; M.S., Environmental Engineering
Experience: 2 years experience with TVA, including 6 months experience with Section 26a compliance

George M. Humphrey

Position: Land Use/Recreation
Education: B.S., Forestry; M.S., Recreation Resources Planning
Experience: 26 years experience in recreation planning

Jimmie J. Kelso

Position: Senior Environmental Scientist
Education: B.S., Industrial Chemistry and Mathematics
Experience: 26 years experience in soil fertility, land reclamation, and wastewater utilization research; 5 years experience in environmental impact assessment on effects on prime farmland

Jack D. Milligan

Position: Specialist, Environmental Engineering
Education: M.S., Environmental Engineering
Experience: 28 years experience in environmental assessments and compliance for ground water and surface water

Roger A. Milstead

Position: Manager, Flood Risk and Data Management
Education: B.S., Civil Engineering
Experience: 26 years experience in floodplain and environmental impact assessment; Registered Professional Engineer

Cherie Minghini

Position: Civil Engineer, Engineering Design Services
Education: B.S., Civil Engineering; M.S., Engineering Management
Experience: 8 years experience in site engineering; Registered Professional Engineer

Philip J. Mummert

Position: Specialist, Regional Planning
Education: M.S. and Ph.D., Urban and Regional Planning
Experience: 30 years experience in community economic development and environmental planning

George E. Peck

Position: Aquatic Biologist, Heritage Resources Program
Education: B.S., Secondary Education-Biology, M.S., Biology
Experience: 27 years experience in environmental and nuclear compliance activities, including 19 years experience with environmental compliance activities

Ralph M. Perhac

Position: Economist, Economic Development
Education: B.A., Economics; M.B.A., Economics; Ph.D., Philosophy
Experience: 6 years experience with TVA; other experience includes 7 years in human health risk assessment and risk policy, including work on Department of Energy environmental impact statements

Ralph L. Porter

Position: Landscape Architect-Principal, Resource Stewardship
Education: B.LA, Bachelor of Landscape Architecture
Experience: 33 years experience in land planning and site design for institutional, recreational, and industrial development; Registered Professional Landscape Architect

Tim D. Pruitt

Position: Land Use Specialist/Biologist
Education: B.S., Wildlife and Fisheries Science; M.S., in Wildlife Science
Experience: 5 years experience conducting environmental reviews for Section 26a applications, including reviews for effects on threatened and endangered, wetlands, and terrestrial ecology

Cassandra L. Wylie

Position: Environmental Modeler
Education: B.S., Forestry; M.S., Forestry and Statistics
Experience: 16 years experience in forest effects research, air quality analyses, and air dispersion modeling; 2 years experience in environmental noise assessments

U.S. Army Corps of Engineers

J. Ruben Hernandez

Position: Project Manager, Regulatory Branch
Education: B.S., Civil Engineering
Experience: 19 years regulatory program project manager, Corps of Engineers
2 years construction contract administration, P.R. Department of Natural Resources, and 8 years site development and highway design, private A/E firms

Other Organizations

Environmental Systems Corporation

Helen S. Hennon, P.E., Manager, Commercial and Government Services
David K. Beverly, P.E., R.L.S., Director, Civil Engineering Services
Ken Barry, P.E., Senior Engineer II

BHE Environmental, Inc.

Amy Henry, Project Manager
Thomas Grooms, M.A., R.P.A., Staff Archaeologist

Private Consultant on Noise Effects

Corinne Darvennes, Ph.D., INCE Bd. Cert., Department of Mechanical Engineering, Tennessee Technological University, Cookeville, TN 38505
