Attachments: Re: TVA Interim Drainage Plan and Controls

Cynthia,

TDEC and EPA have completed the review of the revised interim drainage plan. This e-mail conveys our approval of the plan.

Please be advised that any deviation from this plan is subject to TDEC/EPA approval.

Good Morning,

Attached is the updated narrative for the Interim Drainage Plan. Minor edits to the narrative have been made based on design changes incorporated in the drawings and calculations submitted March 25, 2009. Please let me know if there are any questions concerning the revised narrative. Could you please let me know the status of approval of the Interim Drainage Plan by TDEC and EPA?

Thank you,

Cynthia M. Anderson
